Birthday: 12/04/2005

SUMMARY

I am a young with a passion for technology. I enjoy web development and want to improve my skills in this area. I have basic knowledge of HTML, CSS, JavaScript, and other front-end tools. I like making websites that are easy to use and look good. I can work in a team and always try my best to finish tasks well. I want to grow more in this field and support the company.
